Commissioner for Patents  
P.O. Box 1450

Sir:

As a precautionary measure, applicants request an extension of time, if needed and if not separately attached hereto, and authorize the Commissioner to charge the fee therefor to our deposit account in accordance with our standing authorization for such charges.

This is a partial response to the Office Action dated January 21, 2004.

The Office Action objected to the listing of four references (the only references listed in the original filing) which were cited in the International Search Report on file herein.

The Examiner kindly gave applicants an opportunity to list the references on Form 1449, provided the form is filed within one month of the date of the Office Action, that is, by February 21, 2004, in which event they will be considered and made of record herein.

A completed form 1449 and copies of the references cited therein are attached.

In view of the foregoing, applicants request that the four references be considered and made of record herein. Applicants point out that they believe the pending claims are clearly allowable over the references listed on the attached Form 1449.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 415-576-0200.

Respectfully submitted,

J. Georg Seka
